Dosko Releases A Mighty Mouse

134 pound "Mini" features 200 cc engine, fold-down handlebar

Rogers, Minn. – March 2011: Dosko recently released the 200-6H "Mini" stump grinder at *The Rental Show*, Las Vegas, Nev. Unique to the unit is a fold-down handlebar which can be pushed forward and down for travel. Folded unit dimensions are 36"L x 23"W x 23"H, allowing the "Mini" to fit in an SUV, minivan and some car trunks.

Dosko's 200-6H weighs 134 pounds and utilizes a 200 cc Honda engine. The "Mini" is equipped with a 3-in-1 Leonardi™ tooth system. This system enables users to rotate each of the stump grinder's teeth in three 120-degree increments to provide a fresh cutting edge.
