

PRESS RELEASE

GNE Selected As Dosko's National Sales Agent
Company seeking new distributors, dealers to enhance network

Rogers, Minn. – February 2011: Great Northern Equipment Distributing, Inc. (GNE) – the upper Midwest's leading distributor of Honda Engines and Outdoor Power Equipment – has been selected as the national sales agent for the Dosko product line, featuring stump grinders, brush chippers and chipper/mulchers.

Previously sold by Dorskocil Industries, San Bernardino, Calif., the Dosko product line will be distributed under the Dosko brand name exclusively through GNE. GNE is actively seeking new distributors and dealers to enhance the Dosko network across the country in an effort to provide prompt delivery and complete customer satisfaction.

About Dosko

Dosko is a U.S. based tree care equipment manufacturer with sales and distribution facilities located in Rogers, Minnesota. Since 1983, they've offered tree care equipment for both rental and landscape/tree care professionals.
