Dosko Announces New Distributor

Hayward Distributing Company to offer distribution/dealer support

Rogers, Minn. – June 2011: Dosko is pleased to announce that Hayward Distributing Company of Columbus, Ohio will provide distribution and dealer support for Dosko's line of stump grinders, brush chippers and chipper/mulchers in W. PA, IL, IN, KY, OH, MI and W. VA.

"Dosko offers an exciting opportunity, complimenting the entire breadth of our business," said Craig Tangi, sales manager for Hayward Distributing Company. "We like to find new avenues of business and this was a solid decision. Dosko offers a superior product with high quality construction and ease of service. We're proud to say it's built right here in the USA."

Hayward Distributing Company has over 60 years of experience in the distribution industry and shares Dosko's commitment to providing customers with top quality goods and service.

About Dosko

Dosko is a U.S. based tree care equipment manufacturer with sales and distribution facilities located in Rogers, Minnesota. Since 1983, Dosko has offered tree care equipment for both rental and landscape/tree care professionals.
