Dosko's "FREE Stump Grinder" Giveaway

Win a "Mini" 200-6H

Rogers, Minn. (Jan. 2015) – Dosko announced it will be giving away one of its most popular rental stump grinder models, the 200-6H. Nicknamed the "Mini," the stump grinder will be given away at *The Rental Show*, February 22-25, 2015, at the Ernest N. Morial Convention Center in New Orleans, La.

Don't let the name deceive you, the 200-6H "Mini" stump grinder may be compact in size, but with a reliable Honda GX200 engine and rotatable Leonard[™] M1® Blueshark[™] teeth, it is anything but mini in power. At a mere 134 pounds, 23" wide and with fold-down handles, the "mini" can travel anywhere. Rental store owners and customers alike appreciate the ability to transport the unit in an SUV or minivan. The Leonard[™] tooth system assures efficient tooth changes without the need for pockets, bolts or Allen wrenches. See why Dosko starts with "Do."
